

User Manual Headlamp

Model: TG-T069

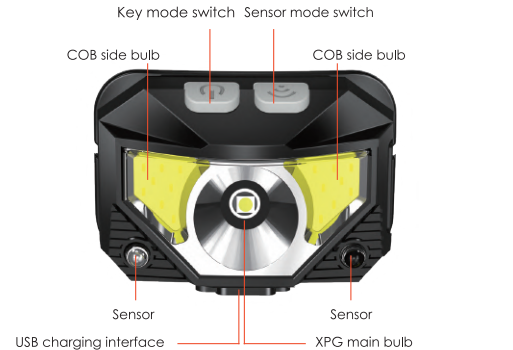

Using Note

Dear customer,
Thank you for purchasing our headlamps.
Please read all the information contained in this user's guide carefully, keep it in a safe place and pass it to other users if necessary.

1. Please charge it before use to ensure a bright light.
2. Please don't direct the light into people's eyes, the strong light will cause damage to the eyes, especially children.
3. Please don't disassemble the product, so as to avoid damage to the lamp components.
4. Please do not soak or immerse it in water. It can resist rain or water splash.
5. Please keep it away from flammable materials while charging.
6. This TG-T069 headlamp should be used with a standard Type-C charging cable. Any non-standard chargers may affect the battery life and may even lead to safety incidents.
7. If you use the headlamp for a long time, it may be a little hotter. Because its main material is aluminum and ABS.

If you have any questions or are not satisfied with the purchase, please contact our official store, we will provide you with satisfactory after-sales service.
